

# **Sunlast Metal**

---

March 26, 2014

To all concerned parties,

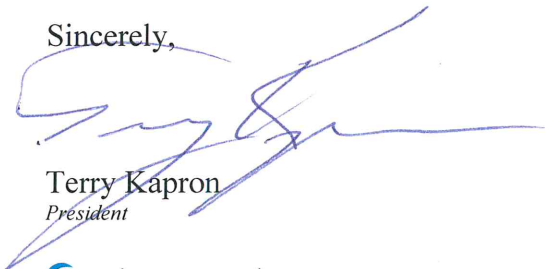

**Subject:** Zip System-Huber Engineering Woods

Sunlast Metal roof panels may be installed over Huber Engineering Woods ZIP system as long as the following criterions are met.

- 1.) Sunlast Metal roof panels and the ZIP roofing system must be installed in accordance with both companies' installation instructions.
- 2.) All aspects of these installations must comply with Local, County, and State Building Codes.

If the aforementioned requirements are met, all applicable Sunlast Metal warranties will apply.

Sincerely,

Terry Kapron  
*President*
