

## HUBER BLUE™ LIMITED WARRANTY

---

### 1. Definitions

For purposes of this limited warranty (this “warranty”), the following definitions are used:

“HEW” means Huber Engineered Woods LLC.

“Huber Blue Panels” means any Huber Blue™ panel used in accordance with HEW’s installation instructions and guidance. For the avoidance of doubt, this warranty does not extend to Huber Blue Plus™ panels.

“Original Owner” means the original owner of the Structure incorporating the Huber Blue Panels.

“User” means either the builder who purchased the Huber Blue Panels installed on a Structure or the Original Owner.

“Structure” means a residential or commercial building (i) located in the United States or Canada and (ii) built in accordance with applicable building code at the time of construction.

“Phase” means a predetermined grouping of commercial or multifamily Structure(s) designed as a separate stage of a Project.

“Project” means one or more commercial or multifamily Structures designed as one development and constructed in one or more Phases.

“Warranty Period” means 25 years from the date of manufacture of the Huber Blue Panels.

“Delaminate” means the visible separation of the wood strand layers of the base OSB panel that reduces the panel’s load-carrying capacity. Minor surface characteristics such as loose or folded surface flakes or minor localized edge checking or aesthetic imperfections do not qualify as delamination.

“Proper installation”, “properly installed” or terms of similar import mean products installed in accordance with the most restrictive of the requirements of (i) the application and installation instructions and guidance specified by HEW (or for third-party products, the manufacturer of such products), (ii) local building code applicable at the time of construction, (iii) the government agency having jurisdiction or (iv) the engineer or architect of record. Products that have not been installed in accordance with the preceding sentence shall be considered improperly installed.

### 2. Who is covered by this warranty and for how long?

HEW extends the warranty set forth in Section 4 to Users for the Warranty Period.

### 3. Is this warranty transferable?

This warranty is for the sole benefit of the User, is not transferable, and terminates upon any transfer of the Structure by the Original Owner.

- (l) alteration of the Huber Blue Panels, such as, but not limited to, introduction of chemical treatments, coatings or films
- (m) damage to, or deterioration of, the exterior wall or roof covering, finished floor or any additional roof, wall or flooring layers (as applicable) beyond the Huber Blue Panels, or similar causes; or
- (n) warranty claims which HEW was not notified of strictly in accordance with Section 7 below.

#### 6. What are your remedies under this warranty?

HEW's liability to the User under this warranty is limited to the repair or replacement, at HEW's option, of HEW materials giving rise to the failure to comply with this warranty. In no event shall HEW be liable for any amount in excess of the lesser of:(i) three times (3x) the original purchase price of the Huber Blue Panels that did not perform as warranted under Section 4 or (ii) \$10,000 for the entire Structure or, if a Structure is part of a Project, for the entire Project.
